

**VodaSure | Contract
Cover**

Contract Cover Insurance is optional, and the monthly premium is R9,99

In the event of your death this benefit will cover the balance of your contract subscription. This benefit will be paid to Vodacom (Pty) Ltd in order to fulfill your estate's contractual obligation to Vodacom (Pty) Ltd.

More importantly this means that you will have peace of mind knowing that your family will not be requested to cover outstanding payments while they are still grieving for their loss. **An amount of R5 000 will also be paid to your chosen beneficiary or estate to assist with any death related costs.**
